

Wash - liquid

Product Narrative, T. S. Fox, Ph.D.

Whole leaf Aloe vera gel and Tea tree oil are put into solution with a benign surfactant.

Tea tree oil acts as a preservative for the Aloe vera gel. Refrigeration is recommended.

This product is to be applied liberally and left on the area.

Aloe vera gel (whole leaf) and Tea tree oil are the active ingredients in this wash, neither are to be ingested. Both are associated with skin irritation. If this develops, discontinue use of product.

Do not use this product on cats and other small creatures.

#### DISCLAIMER

We did not invent the use of botanicals. We do not recommend that the use of botanicals should be undertaken on the strength of our restatement of historical usage and documented research.

We do restate well documented traditional efficacy and the results of ongoing research. Personal experience is included where deemed appropriate.

Regardless of the merits of any botanicals, side effects do sometimes occur. These may be real or imagined. Always seek the counsel and advice of qualified medical professionals and use caution with any botanicals. We do not accept responsibility for the use or misuse of any product put forth or any information provided.
